We would really like to hear your thoughts and feelings about your moving experience. Was there any additional service that you would like us to provide? Did you feel that any part of the process could be improved? Would you recommend us to others?

The team was very professional
 Not much to comment. Done on time
 Enough resources, Right packaging material

Wooden Boxes can be made at customer place
 to guarantee safe transport even to warehouse

Very satisfied!

We would really like to hear your thoughts and feelings about your moving experience. Was there any additional service that you would like us to provide? Did you feel that any part of the process could be improved? Would you recommend us to others?

Our first point of contact was Mr. Chau who walked us through the process completely, many times, even late in the evenings by SMS, calls, emails. That is a great dedication. On the date of packing, Mr. Chau & Mr. Ngan came and finished everything under one hour. WONDERFUL EXPERIENCE. Very polite & efficient!! Please don't change anything. Your Vietnam Team is PERFECT. I am sure Dubai would be just as good. Would be happy to receive my Vietnamese souvenirs perfectly. I will recommend you all to everyone who is moving. Good luck Mr. Chau & Mr. Ngan. We loved your service

The packing team is very efficient, very diligent
 and professional. Thanks to the supervisor who constantly
 monitor his team work and control the delivery of
 goods to parking basement for loading. I'm very
 happy with the services and the way the team
 handle my belongings. Great teamwork, fast,
 efficient, professional and great deliverable on time!

We are very frequent movers with 7 different countries in the last 10 years from Europe, South-America and Asia. This is the best team we have dealt with and from far. They are professionals, problem solving and efficient. The job is done with smiles and very respectful behaviour. Congratulations to you to have built such a great team and team leader.

- Efficient and very quick in packing
 - Very friendly staff, well behaved
 - Good in unpacking also.
 - One suggestion could be to improve the packaging of fragile electronic items like the Television. Since an incident happened with our TV.
 Except for this incident, the service is satisfactory overall. A big Thank You to the Team!
